

Help us to help them!

At Larry's Volvo we are very proud to be a part of the Seattle Community so we are doing our part to give back. But we need your help! Every time you refer a new customer to Larry's Volvo, he/she will receive \$25 off his/her first service and we will donate \$25 to the Odessa Brown Children's Clinic.

The OBCC Medical Clinic provides pediatric primary care for newborns and children to 21 years of age. The OBCC medical staff work closely with Seattle schools, local after-school programs, churches and social service agencies in order to make sure our children are well taken care of.
